Dear All,
Please note and consider below points to avoid suspicious transaction to prevent the Money laundry and funding illegal activities,
The sales man will be responsible personally for such transaction so please make sure to follow the below instructions and points to avoid questioning:

- It's Not allowed to accept 3000 K.D or above in cash whatever so.
- Each transaction must be with the beneficial name as well the payment card (event for gift purposes).
- With each invoices you must keep Civil Id copy of the buying Customer.
- There is a form received before must be filled by each purchasing client before taking the payment.
- There are three type of clients: 1.the normal client, 2.the legal client (mandoob) and 3.the political client.
- The legal client and political client Must fill the form and the sales man must check his name at the official UN web to check wither his name in the black list or not after that he must call the concern person and take approval to go ahead with the transaction.
- All BELOW official web sites must be kept on your Desktop for easy access.
- www.kwfiu.gov.kw (to inform any suspicious money laundry transaction)
- https://www.un.org/securitycouncil/ (this to search any company, person name to check black list)
- Email address : ctc@mofa.gof.kw (if the person name under black list you must report on him and forbidden from selling to him)
